SURFACE/PENDENT Mount Wall Wash

Specifications

"Aileron" fluorescent wall washer fixture for use with linear T-5, T-8 or the 40, 50 or 55 watt Biax lamps. Several mounting options offer complete adjustability.

The fixture is extruded aluminum that is TGIC polyester powder coated. The one-piece, formed reflector is high-purity aluminum (99.9%) with 95% reflectance. Design provides even unscaloped illumination with no glare and offers exceptional lamp shielding. It is easily removable without tools for access to the integral ballast and wiring.

All fluorescent fixtures are supplied standard with Luminaire Disconnect.

Continuous Mount – If fixtures are being mounted in a continuous row, add "CC" to the catalog number and provide row configuration, i.e.: (18) 450BXWW-A9-WD-CC for (6) 24' rows.

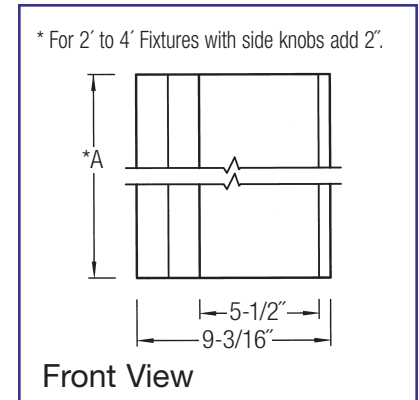

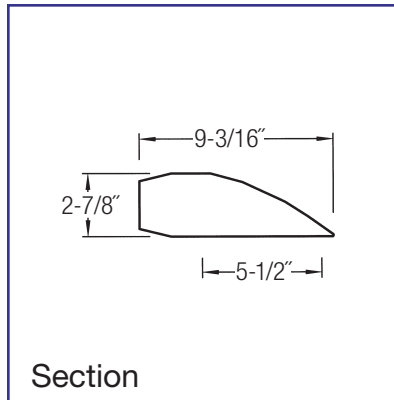

Knock-outs will be provided between continuous fixtures for through wiring.

UL/CUL Damp Location listed.

U.S. Patent #5,142,459
