AA & AATB SERIES AAD & AADTB SERIES

RECESSED Adjustable Accent Downlights
for Drywall and T-Bar

*RECESSED multi-head adjustable
accent downlights designed
to reduce ceiling clutter.*

System

Accent fixtures allow individual lamp head aiming in two and four lamp configurations. The AA & AATB Series “off-set” design compliments and can be used in conjunction with the AK & AKTB Series wall wash fixtures. The AAD & AADTB Series design provides a symmetric housing with black interior.
